*This schedule is based on Act No. 12 of House Bill No. 4713. Subsection (3) requires a minimum of 5 fire drills each school year for a school that operated any of the grades kindergarten to 12. Three of the fire drills have been scheduled prior to December 1. Subsection (4) required minimum of 2 tornado safety drill with at least one drill conducted in March. Subsection (5) requires a minimum of 3 drills in which the occupants are restricted to the interior of the building and the building is secured and one of these drills must occur by December 1 of the school year and one conducted after January 1 of the school year. Subsection (6) requires that at least one of the drills occur during a lunch or recess period.
