

Below is our admissions process:

1. Schedule a campus tour: If you would like to see our campus, please let me know as our tour availability is limited.
2. Submit your application: Here is a link to the [application](#). I recommend you set aside at least 30 minutes to complete the application as it cannot be saved.
3. Complete an interview: After your application has been received, a member of our admissions team will contact you to schedule your 1:1 admissions interview with the student and the parent/guardian and members of our admissions team. The purpose of these interviews is to get to know the students and parents' goals and expectations for the future.
4. Submit supporting documents: While not required prior to the interview, we will want the following pieces of documentation sent to us via this [email address](#):
 - a. A recent IEP
 - b. Official or Unofficial Transcripts
 - c. 2 Letters of Recommendations
 - d. Documentation confirming disability status

Please let me know if you have any additional questions!
