

MEDICAID “Under the Supervision of” Documentation for Psychologists

Limited Licensed Psychologist:	District:	School Year:
Supervising Fully Licensed Psychologist:	Buildings:	

For billing purposes, Medicaid requires psychology services be provided by a licensed psychologist in Michigan, OR a limited licensed or a temporary limited licensed psychologist under the supervision of a fully licensed psychologist. The “under the supervision of” includes:

- (a) A licensee who has less than 10 years of experience as a limited licensed psychologist, excluding experience as a temporary limited licensed psychologist, shall meet individually and in person with his or her supervisor for a minimum of 2 hours a month.
- (b) A licensee who has 10 or more years of experience as a limited licensed psychologist, excluding experience as a temporary limited licensed psychologist, shall meet individually and in person with his or her supervisor for a minimum of 1 hour a month.
