7.2.2 If a grievance arises from the action of authority higher than Building Administrator, it may be initiated at Step 3 of this procedure.

7.2.3 Hearings and conferences held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses, entitled to be present to attend. Every effort will be made to schedule hearings and conferences outside of duty hours.

7.2.4 When hearings and conferences are held during duty hours, with the approval of the administrator, all persons who are present at the hearing or conference pursuant to this Article whose duty hours are affected, shall be excused with pay for that purpose.

7.2.5 Forms for filing and processing grievances shall be given appropriate distribution by the grievance Chairperson so as to facilitate the operation of the grievance procedure.

7.2.6 No decision or adjustment of a grievance shall be contrary to any provision of this Agreement.

7.2.7 Failure by the employee and/or the Federation at any step of this procedure to appeal a decision within the specified time limits shall terminate the grievance.

- 7.2.8 Failure by the Employer or designated agents to communicate a decision on a grievance within the specified time limits shall be deemed a granting of the remedy sought on the grievance.
- 7.2.9 The time limits specified in this procedure may be extended in any specific instance by mutual agreement. Such agreement shall be in writing and signed by the parties.
- 7.2.10 No grievance(s) may be filed by an employee or by the Federation on behalf of any employee if that person for any reason is no longer employed by the district.
- 7.2.11 The following matters shall not be the basis of any grievance filed under the procedure outlined in this section:
- 7.2.12 The termination of services or failure to reemploy any probationary teacher.
- 7.2.13 The placing of a non-tenure teacher on a third year of probation.
- 7.2.14 Any matter submitted to the procedures specified in the Teacher Tenure Act (Act 4 of Public Acts, Extra Session of 1937, of Michigan, as amended).

Section 3 - Procedure for Adjustment of a Grievance

- 7.3.1 Grievances shall be presented and adjusted in accordance with the following procedures:

Step 1 - Informal Conference

- 7.3.2 A complaint shall first be identified as a grievance issue, citing the appropriate contract section or sections, and shall be discussed with the appropriate supervisor with the object of resolving the matter informally.
- 7.3.3 By an employee in person on his own behalf;
- 7.3.4 By an employee accompanied by the appropriate Federation representative;
- 7.3.5 Through the Federation representative if the employee so requests;
- 7.3.6 By the Federation representative in the name of the Federation.

Step 2 - Written Procedure #1

- 7.3.7 In the event the matter is not resolved informally, a written grievance may be submitted to the immediate supervisor within twenty (20) days following the discovery by the aggrieved party of the act or condition which is the basis of the grievance:
- 7.3.8 By an employee in person on his/her own behalf;
- 7.3.9 By an employee accompanied by the appropriate Federation representative;
- 7.3.10 Through the Federation representative, if employee so requests;
- 7.3.11 By the Federation representative, if the employee so requests;
- 7.3.12 By the Federation representative in the name of the Federation.
- 7.3.13 Within five (5) work days after receiving the written grievance, the immediate supervisor shall meet with the grievant and the Federation representative in an effort to resolve the grievance. The immediate supervisor shall indicate his/her disposition of the grievance in writing within five

(5) work days after such meeting and shall furnish a copy of his/her decision to the Federation representative and the grievant.

Step 3 - Written Procedure #2

- 7.3.14 If the grievance is not resolved in Step 2, it may be appealed to the Superintendent within five (5) work days from receiving the supervisor's answer from Step 2. Within five (5) work days after receiving the grievance, the Superintendent or his/her designee shall investigate the grievance giving the grievance and the Federation a reasonable opportunity to be heard and shall indicate his/her disposition of the grievance in writing within ten (10) work days of such meeting. A copy of his/her decision shall be furnished to the grievance and the Union. The appeal to the Superintendent shall be in writing and shall state the reason for the appeal.

Arbitration

- 7.3.15 If the grievance is not resolved at Step 3 above, and if it involves a complaint that there has been a violation, misinterpretation or misapplication of any provision(s) of this Agreement, either the Federation or the Board may, at its option, submit the grievance to the American Arbitration Association for appointment of an arbitrator by written notice delivered to the Superintendent or to the Union President, as the case may be, and the American Arbitration Association ten (10) days after receipt of the answer in Step 3. If no such notices are given within the ten (10) day period, the answer from Step 3 shall be final and binding on the Federation, the employee(s) involved and the Board.

Section 4 - Powers of the Arbitrator

- 7.4.1 It shall be the function of the Arbitrator, and the Arbitrator shall be empowered, except as powers are limited below, after due investigation to make a decision in writing, setting forth findings and conclusions in a case of a complaint that there has been a violation, misinterpretation or misapplication of any provision(s) of this Agreement.
- 7.4.2 The Arbitrator shall have no power to add to, subtract from, alter or modify any of the terms of this Agreement or to assess damages or wages beyond the net loss of income or loss due to discontinuation of fringe benefits.
- 7.4.3 The Arbitrator shall not make any decision which requires the Board to reinstate or reemploy any probationary teacher.
- 7.4.4 The Arbitrator shall not make any decision on any case in which the grieving party has alleged any violation of statute.
- 7.4.5 The expenses of and the compensation for each and every witness and representative for either the-Employer or the Federation shall be paid by the party producing the witness or having the representative. The fees and expenses of the arbitrator including the expenses of a transcript, if requested by the arbitrator, shall be divided equally between the Federation and the Board for the decision rendered.

- 7.4.6 The Arbitrator's decision, when made in accordance with the jurisdiction and the authority established by this Agreement, shall be final and binding upon the Federation, the employee(s) involved, and the Board.
- 7.4.7 The termination of probationary teachers or the placing of a probationary teacher on a fifth year of probation shall not be subject to arbitration. However, in the termination of a probationary employee, the Federation may file within five (5) work days of the Board's action, a request for the Superintendent and/or his/her designated representative(s) to meet with the teacher and a representative of the Unit to review the action.

ARTICLE 8 Evaluations and Observations

Section 1 - Criterion

- 8.1.1 All employees, upon employment and at the beginning of each school year, will be apprised of the specific evaluative procedures and criteria prior to conducting any formal evaluation. (This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)

Section 2 - Observations

- 8.2.1 An employee will be informed in advance of the day on which he/she is to be observed, in order that the objectives or purposes of the work activity period being observed may be discussed in advance between the parties. (This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)
- 8.2.2 This provision will not be interpreted to prohibit additional observations beyond those required for evaluation. Monitoring of employee performance shall be done openly and with the full knowledge of the employee at the time of the observation. (This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)

Section 3 - Evaluations

- 8.3.1 Employees will be observed for the purpose of evaluation at least every three (3) years. (This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)
- 8.3.2 Evaluations will be conducted by the employee's immediate supervisor or an Administrator familiar with the employee's work. (This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)
- 8.3.3 Within a reasonable time after the observation, the employee will receive a written report of the observation, followed by a conference between the parties. (This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)
- 8.3.4 At said conference and on the written evaluation, the Administrator will avoid generalities and specifically point out the employee's strengths and weaknesses and suggestions for improvement. (This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)
- 8.3.5 The employee shall have the subsequent right to be observed by a second administrator mutually agreed upon by the Union and the Employer, when so requested by the employee. (This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)

- 8.3.6 Prior to placement in the employee's personnel file, the written evaluation shall be submitted to the employee for additional comments. The comments shall be attached to the final evaluation.
- 8.3.7 All copies of the final evaluations will be signed by both the employee and the evaluator. There shall be no additions, deletions, or corrections after the signatures are affixed.
- 8.3.8 Copies of evaluations shall be furnished to prospective employers upon written request of the employee and at the employee's expense.

ARTICLE 9

Reprimands and Discharge

Section 1 - Reprimands

- 9.1.1 Disciplinary interviews and reprimands will be considered in private. An affected employee will, however, have the right in all such instances to request the presence of a Federation representative at said interview and, when such a request is made, the interview will not proceed until the representative is in attendance. The Employer shall have a similar right to include a representative of its choice at such meeting.
- 9.1.2 In the case of serious offenses, the above language will not interfere with the Employer's right to take immediate action including suspension with pay until appropriate interviews and hearings can be held.

Section 2 - Discharge

- 9.2.1 An employee shall be subject to dismissal only for demonstrable incompetence, willful abuse of administrative procedures, or when his/her behavior affects his/her professional performance in a negative fashion. For positions whose employment is regulated by the Michigan Teachers' Tenure Act, 1937 PA 4, discharge or discipline may be made only for a reason that is not arbitrary and capricious.
- 9.2.2 Dismissal of a second-year probationary employee shall not be grievable by the employee under the provisions of the Grievance Procedure included herein, provided:
- a) The employee is furnished with written evaluations, based on direct observations, which evaluations specifically describe job-related deficiencies and contain constructive suggestions and/or methods for improvement under administrative guidance, and
 - b) The employee, prior to the date of discharge, received a definite written statement containing the reasons for discharge.
- 9.2.3 Placement of an employee on a third year of probation shall not be grievable, provided:
- a) The teacher is furnished with written evaluations, based on direct observations, which evaluations specifically describe job-related deficiencies and contain constructive suggestions and/or methods for improvement under administrative guidance; and

b) The teacher, prior to the date of being placed on a third year of probation, receives a written statement containing the reasons for the continued probation, which reasons are based upon the prior written evaluations.

ARTICLE 10

Section 1 - Seniority

- 10.1.1 Seniority will be determined from the first date of professional employment within the bargaining unit. Employees who begin professional employment within the bargaining unit on the same date will have a seniority order assigned by the Board of Education at that time. Persons previously employed by the agency and who enter the bargaining unit on the same date as "new hires" will be given seniority preference.
- 10.1.2 Employees who have worked within the bargaining unit and who accept employment with the district outside the bargaining unit will have their seniority frozen. Upon return to the bargaining unit, such employees shall have all rights and benefits afforded under this agreement.
- 10.1.3 Employees shall accumulate seniority in each regular one hundred and eighty-five (185) day school year by the following percentage of days actually worked.
- | | | |
|--------------------|---|---------------------|
| 0 - 91 days | = | zero (0) |
| 92 - 138 days | = | one-half year (1/2) |
| 140 and above days | = | one year (1) |
- 10.1.4 When the qualifications of two or more applicants for a job vacancy are found to be substantially equal, seniority may be used in the decision making process and may be a tie breaker pursuant to applicable Board policy.
- 10.1.5 The Employer will provide the Federation with an updated seniority list by September 30 of each year following joint review of the seniority status of employees by Employer and Federation representatives.

ARTICLE 11

Layoff and Recall

- 11.1.1 Should substantial and unforeseen changes in financial conditions, student population, changes, revisions or eliminations in or of programs and/or positions make necessary the layoff of personnel, the Board's policy on layoffs will prevail. The Employer will provide notice of planned eliminations to Unit II employees.
- 11.1.2 Those educational programs and/or personnel to be eliminated shall be the sole responsibility of the Board of Education with the advice and recommendation of Management. Prior to Employer action, which will result in the elimination of Unit II employees, the Employer will meet with the Federation to discuss its intent to eliminate programs and positions which will result in the layoff of Unit II employees, and will provide notice of planned eliminations to Unit II employees. (This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)
- 11.1.3 Employees released through the reduction or elimination of programs will be allowed to bump in to the lowest seniority position for which they are certified and qualified through formal training

and related work experience at the time of their layoffs. Qualified will be defined as meeting the minimum requirements and applicable related work experience by the Board of Education at the time of layoff.

(This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)

11.1.4 Employees on layoff status who, subsequent to the layoff, secure additional qualifications or certification may use such qualification or certification to return to vacant positions.

11.1.5 Employees, including those on leave covered in Article 14.1.1 - 14.11.1, will be released in reverse order of seniority as defined in Article 10. Probationary employees will be released prior to tenure employees, and the same procedure of seniority will be followed.

(This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)

11.1.6 An employee shall be given written notification of said action at least thirty (30) days prior to the effective date of layoff (last working day) whenever possible except in the event of some type of immediate legislative action with immediate effect regarding operational programs. (This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)

Section 2 - Recall

11.2.1 Recall will be based on reversal of section 11.1.5 above. The last laid off will be the first recalled provided that all tenure employees on leave, who have requested return to active status, have been reinstated prior to recall of probationary employees.

(This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)

11.2.2 Employees being recalled will be given ten (10) days from the date of the mailing of a registered letter of recall to indicate their acceptance or rejection of reemployment. Failure to respond within the ten (10) day period will terminate all employment rights. It is the responsibility of the employee to keep the Employer informed at all times of any change in address including temporary situations. (This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)

11.2.3 An opening/vacancy that may occur due to a Board approved leave of one semester or more, which guarantees the right of return to the position left vacant without loss of status, shall be filled by a permanent substitute teacher or by the most qualified transfer applicant, with the resulting transfer position filled by a permanent substitute.

(This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)

11.2.4 In the cases above, if there are properly certified and qualified laid-off employees, the most senior, properly certified employee shall be recalled to a one semester or more leave position prior to a permanent substitute being employed.

(This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)

ARTICLE 12

Personnel Records

12.1.1 By appointment with Human Resources, an employee shall be allowed to review the contents of his or her personnel file. Privileged information sought at the time of employment is specifically exempted from review. Only one central personnel file shall exist.

ARTICLE 13

Human Resources Procedures

Section 1 - Vacancies

- 13.1.1 A vacancy is defined as a position created by expansion, resignation, discharge or as a result of transfer during the regular school year, which the Employer has determined to be filled.
- 13.1.2 All vacancies shall be filled by the most qualified applicant. For the purpose of this agreement, qualifications shall be considered to be the function of formal training and applicable (or related) work experience. Where there is reasonable doubt regarding the relative weighing of these factors with respect to the qualifications of two or more applicants, the Employer shall resolve the issue unilaterally. The Employer shall seek input on program needs from employees in the departments involved.
- 13.1.3 If a qualified employee is on layoff status, that employee will be recalled to fill a vacancy subject to the provisions of Article 13.2 and 13.3.
(This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)
- 13.1.4 It is recognized that when a vacancy occurs during the first one hundred thirty five (135) school days of the regular school year, the employer will recall qualified laid-off employees within ten (10) school days, or realign existing staff, or hire an employee as soon as possible. If necessary the Employer will propose a temporary resolution to the Union / Management Committee. (This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)

Section 2 - Notification

- 13.2.1 Whenever a vacancy occurs, the Employer shall give written notice to the Federation prior to mailings and/or postings. Vacancies will be posted for ten (10) days. The Employer shall be responsible for simultaneously mailing the vacancy notice to each member or posting such notice at the employees' buildings.
- 13.2.2 In addition to posting, notification of professional positions becoming available between June 15 and September 1 will be electronically communicated to all employees of Unit II via notation on the employee's paystub.

13.2.3 Vacancies will not be filled until ten (10) days after posting, notification, mailing or enclosure.

Section 3 - Application

13.3.1 A Unit II employee applying for a vacancy shall apply in writing. When interviews are being conducted the Unit II employee(s) will be allowed to interview. If a Unit II employee who applies is not selected to fill the vacancy, the employee shall receive, on request, a written statement as to the reason(s) the employee was not selected.

13.3.2 Employees with specific interests in possible vacancies that may occur during the summer will notify the Personnel Services office of their interest in writing before the last day of the school year and shall include the address where they can be contacted during the summer.

13.3.3 Should a summer vacancy occur, the Unit II employees who have expressed interest in applying for the position shall be notified by letter.

13.3.4 It shall be the responsibility of the contacted employee to notify the Human Resources office in writing of continued interest within seven (7) calendar days after notification.

Section 4 - Promotions

13.4.1 The Employer continues its support of a policy of promotions from within its own employees.

Section 5 - Involuntary Transfers

13.5.1 It is recognized that some involuntary transfers may be necessary to assure an appropriate placement for qualified and experienced employees.

Section 6 – 45 School Day Vacancy

13.6.1 It is recognized that when a vacancy occurs as a result of a resignation, discharge or transfer during the last 45 days of the school year, it may be difficult to move a current employee to the vacancy from within the district without undue disruption to existing educational programs. The superintendent or his/her designee may determine to postpone the movement of current employees.

13.6.2 The vacancy will be posted within fifteen (15) days and filled for the following school year. For the remainder of the current school year, the Employer will either recall qualified laid-off employee in order of seniority, within ten (10) days, or hire an employee covered by the Unit II contract as soon as possible, but no later than ninety (90) days. All subsequent vacancies occurring as a result of the original posting shall be filled by the start of the following school year.
(This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)

Section 7 - Employee Requests for Exchange of Assignment

13.7.1 A written request to the Human Resources office may be made by any two (2) employees who wish to exchange assignments for up to one school year provided:

- a) The administrators who would be affected agree to the exchange and;
- b) The employees involved are certified and qualified pursuant to Board policy.

13.7.2 Application for this exchange must be submitted to the Human Resources office by April 15 for the following school year. This provision is not subject to the posting procedure.

Section 8 - Selection and Transfer of Assistants

- 13.8.1 Consideration shall be given in the selection and transfer of teaching assistants who are assigned to teachers to the mutual acceptance of each for the other. The Program Supervisor will make reasonable effort to consult with involved teachers and assistants when selecting and transferring same.

Section 9 - Summer Employment Practices

- 13.9.1 The employer shall notify all employees no later than May 15th of each school year of the summer positions that are available, if known. If operation of summer programs cannot be determined at this date, the Employer will give the Federation a written explanation as to the reasons.
- 13.9.2 Each employee shall notify the Employer in writing no later than ten (10) work days after notification of summer positions available of his/her desire of summer employment with the agency. The Employer shall post a list of employees selected to staff summer positions no later than twenty (20) working days after employee notification of desire for summer employment.
- 13.9.3 Summer vacancies shall be filled by the most qualified applicant. For the purpose of this agreement, qualifications shall be considered to be the function of formal training and applicable (or related) work experience. If the process of 14.4.7 has been followed, and there is no improvement in attendance, this may be grounds for denial of summer employment. Where there is reasonable doubt regarding the relative weighing of these factors with respect to the qualifications of two or more applicants, the Employer shall resolve the issue unilaterally. If a Federation member who applies is not selected to fill the summer vacancy, the member shall receive, on request, a written statement as to the reasons the employee was not selected.
- 13.9.4 Employees shall be paid their daily rate of pay to a maximum of step **five (5)** of the pay scale, multiplied by the number of days they are required to work during the summer program.
- 13.9.5 Persons hired for the summer program who are not regular WISD employees during the school year will be paid at Management's discretion during the summer program.
- 13.9.6 Article 14 does not apply to summer program.

Section 10 - Position Sharing

- 13.10.2 Each position sharing arrangement shall be established only by mutual agreement of the two job sharers and approval of appropriate immediate supervisor(s). Each arrangement shall be for one year and not considered renewable without the agreement of the two job sharers and approval of the appropriate immediate supervisor(s).
- 13.10.3 The schedules of the job sharers will be developed by the job sharers and the immediate supervisor.
- 13.10.4 The Employer shall not be required to provide additional desk space, post office boxes, etc. for the job sharers.
- 13.10.5 Both job sharers shall attend all required meetings and appropriate parent conferences regardless of their respective daily schedules.

- 13.10.6 The agreement to share a job does not preclude a Unit II employee from employment as a substitute teacher in the District. When working as a substitute, the Unit II employee will be paid at the regular daily rate for a substitute teacher.
- 13.10.7 Any full time opening created by Unit II employees moving to a job sharing situation shall be considered a vacancy.
- 13.10.8 Full insurance coverage will be available to position sharers. The cost to the Employer for both position sharers coverage will not exceed the cost of a single family package.
- 13.10.9 Sick leave and personal days will accumulate at one-half rate.
- 13.10.10 Each job sharer shall be classified as a part time Federation member.
- 13.10.11 Seniority will accrue according to Article 10.1.3.
- 13.10.12 In terms of any business between the Federation and Employer, "work days" for the job sharers will mean district work days.
- 13.10.13 In the event that one of the job sharers leaves during the school year, the resulting half-time opening shall not be considered a vacancy but shall be filled on a temporary basis until the end of the school year, at which time the situation shall be reevaluated.
(This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)

ARTICLE 14 Leaves of Absence

Section 1 - Special Leaves

Said request for leave shall include a prospective commencement date and a desired end date; the Employer recognizes unforeseen circumstances may require modification of the original notice. Leaves for this purpose shall be granted for a period up to one year and may be extended upon subsequent application.
- 14.3.6 If the employee does not comply with the above conditions, the right to such a leave and/or the right to return may be denied by the Employer.
- 14.3.7 An extended child care leave, which has been applied for and granted in anticipation of such need, may be rescinded by the employee at any time prior to its commencement.

If the employee owes more than the Employer can deduct from pay, the employee agrees to reimburse the Employer all overpaid funds.
