**DISTRICT PROVIDED PROFESSIONAL DEVELOPMENT  
 RECORD FOR CERTIFICATE RENEWAL**

This form must be completed by the individual requesting certificate renewal using professional development provided by their school district, as required by law (Sec. 380.1527). District Provided Professional Development (DPPD) hours can only be used to renew or advance to the Professional Education Certificate and Occupational Education Certificate. To utilize your DPPD hours for certificate renewal purposes, follow these instructions.

**INSTRUCTIONS:** To use the DPPD for certificate renewal or advancement:

- 1) Enter each program, including the category and the hours of training, into your Michigan Online Educator Certification System (MOECS) account (www.michigan.gov/moecs) on the "View Professional Learning" page under the "Professional Development" tab. In reference to Sec. 1527 and DPPD guidelines, MOECS limits the amount of hours an individual can use for renewal or advancement to 30 per school year. Please record **only 30 hours** per school year.
- 2) Print the list of DPPD hours added to your MOECS account at the end of the school year using your computer's print screen function.
- 3) Complete your section of this form, attach it to your DPPD hours, and take it to your Principal/District Designee for the required verification and signature (one list & form per school year). Keep this signed form for your records and submission to the Michigan Department of Education if requested.
- 4) If, for any reason, the Principal/District Designee will not sign this form to verify any of your hours, please delete them from your MOECS record.\*
