VIDEOS USED FOR PT PRO TRAINING ON AUGUST 8th AT WISD

We started out with the following videos that you access from within PowerTeacher Pro's "Help". Note: If you are not yet on PowerSchool 11, you may log in to PowerSource and go to the PS 11 Lab Server and log in to show the videos.

HELP VIDEOS WITHIN POWERTEACHER PRO:

- What's New in PowerSchool 10.1
- What's New in PowerSchool 11
- Welcome to PowerTeacher Pro
- PowerTeacher Pro: Creating and Duplicating Assignments (also in Mastery In Minutes)
- PowerTeacher Pro: Scoring Assignments
- PowerTeacher Pro: Using The Scoresheet

Distance Learning Course from PowerSource (Must have a paid subscription)

- PowerTeacher Pro Part 1: Setup, Assignments & Grading
- PowerTeacher Pro Part 2: Analysis & Reporting

We also distributed the PowerTeacher Pro Quick Reference Guide as well as the Migrate Data to PR Pro document. We gave attendees time after each video to try things out after each video. We have them all log in to the PT Pro Labs server on PowerSource.

*Note: You must have a PowerSource accout to be able to log in to PowerSource to access the Labs server with PS 11 & PT Pro on it.

*Note: You must have a subscription to be able to view the Distance Learning or Mastery in Minutes courses on PowerSource. WISD does have a subscription.
