It is the policy of the District to provide a safe educational environment for all students. Bullying of a student at school is strictly prohibited. This policy shall be interpreted and enforced to protect all students and to equally prohibit bullying without regard to its subject matter or motivating animus.

A. Prohibited Conduct.

1. **Bullying.** Bullying of a student at school is strictly prohibited. For the purposes of this policy, "bullying" shall be defined as:

Any written, verbal, or physical act, or any electronic communication, that is intended or that a reasonable person would know is likely to harm one or more students either directly or indirectly by doing any of the following:

- a. Substantially interfering with educational opportunities, benefits, or programs of one or more students;
  - b. Adversely affecting a student's ability to participate in or benefit from the District's educational programs or activities by placing the student in reasonable fear of physical harm or by causing substantial emotional distress;
  - c. Having an actual and substantial detrimental effect on a student's physical or mental health; or
  - d. Causing substantial disruption in, or substantial interference with, the orderly operation of the school.
2. **Retaliation/False Accusation.** Retaliation or false accusation against a target of bullying, anyone reporting bullying, a witness, or another person with reliable information about an act of bullying is strictly prohibited.

- B. Reporting an Incident. If a student, staff member, or other individual believes there has been an incident of bullying in violation of this policy, s/he shall promptly report such incident to the appropriate program administrator or designee, or the Responsible School Official, as defined below.

A report may be made in person, via telephone, or in writing (including electronic transmissions). If an incident of bullying is reported to a staff member who is not the appropriate program administrator or designee, or the Responsible School Official, the staff member shall promptly report the incident to one or more of the aforementioned individuals.

- C. **Investigation.** All reported allegations of a policy violation or related complaint about bullying shall be promptly and thoroughly investigated by the program administrator or designee. A description of each reported incident, along with all investigation materials and conclusions reached by the program administrator or designee shall be documented and filed separately with similar materials in the District's central administrative office.
  
- D. **Notice to Parent/Guardian.** If the program administrator or designee determines that an incident of bullying has occurred, s/he shall promptly provide written notification of same to the parent/guardian of the victim of the bullying and the parent/guardian of the perpetrator of the bullying.

The annual Board report may be given in writing, in person at a regular Board meeting, or as otherwise requested by the Board of Education.
  
- F. **Responsible School Official.** The Superintendent ("Responsible School Official") shall be responsible for ensuring the proper implementation of this policy throughout the District. The foregoing appointment shall not reduce or eliminate the duties and responsibilities of a program administrator or designee as described in this policy.
